

National Electric Code (NFPA 70, 2008) Seminar

The seminar will consist of a discussion of the Code, especially the new changes and the parts that are applicable to the industry.

Each session will have duration of three days in order to cover the proposed material. The general Agenda will be:

- Introduction
- Chapter I, **General**
- Chapter II, **Wiring & Protection**
- Chapter III, **Wiring Methods & Materials**
- Chapter IV, **Equipment for General Use**
- Chapter V, **Special Occupancies**
- Chapter VI, **Special Equipments**
- Chapter VII, **Special Conditions**
- Chapter VIII, **Communications Systems**

RAFPS Safety will provide conference, materials and if requested, hard copies of the NEC, 2008 revision and a certificate to all participants.
